Feb./March 2014 Oneness University Courses

For planning purposes, here's a ballpark estimate of the overall costs of traveling from Chicago to India for the four-week Deepening Course. These broad-brush figures are based on the following assumptions:

- current advance-sale airfare on United/Lufthansa from Chicago O'Hare airport to Chennai, India. While you are free to make your own travel arrangements or use frequent flier miles or other airlines, these special discount fares are available thru Oneness Trainer and Travel Agent Tina Murray, as detailed on the Oneness Travel Program website (http://www.eventbrite.com/e/feb-march-2014-kristin-panek-registration-8581849543)
