

# The **ONENESS** Awakening Course

Downers Grove, Illinois - April 11 & 12, 2015

**JOIN US** on an inward journey.

It starts where you are and moves toward a state of Oneness; a state where there is no resistance, no conflict, no suffering; a state of joy and peace.

In this powerful weekend, you will:

- ▶ Receive transfers of the Oneness Blessing and learn to meet life's challenges with joy and balance
- ▶ Experience samskara shuddhi, an ancient technique to heal relationships and release negative or limiting patterns
- ▶ Be transformed through the powerful Mukthi Deeksha process
- ▶ Learn ancient Meditation practices to clear your chakras and activate the power of Kundalini energy to shift global consciousness.
- ▶ Become a Oneness Blessing Giver and learn to give the gift of the Oneness Blessing to others

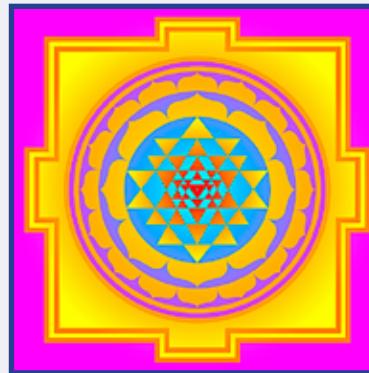

This Course was created to foster a paradigm shift in consciousness. Come experience for yourself the non-denominational work that has touched the lives of millions across the globe.

The Oneness Blessing is an act of energy transfer by touch or by the power of intent. It results in a growth in Consciousness by creating a shift in the perception and experience of life.

It is a Non-Denominational experience that awakens our connection with the oneness in everything, allowing each of us to deepen our relationships with those we love, ourselves, and All That Is.
